AMENDMENT

Dear Sir:

This is a response to the Quayle action dated 06/03/2004.

AMENDMENTS TO THE CLAIMS

22. (Currently Amended) The [method] computer program product according to claim [18] 21, wherein the computer readable storage medium containing the computer readable program code is operable for controlling a portable computer such as a laptop computer or PDA to display the relative position of a target aircraft to an observer aircraft.
